The Global Crop Diversity Trust (https://www.croptrust.org/) is an international organization with Headquarters in Bonn, Germany whose mission is to ensure the conservation and availability of crop diversity for food security worldwide.

Special Call for a Consultant

“M&E Consultant”

The Global Crop Diversity Trust is looking for a “Monitoring & Evaluation (M&E) Consultant” to start immediately. Under the supervision of the M&E Manager, the M&E Consultant is expected to provide research support for the monitoring and evaluation of projects and programs, which may include, but is not limited to the following tasks:

- Compilation and review of background materials;
- Bibliographic search and literature reviews;
- Data collection, entry, management, and analysis;
- Review partner reports and extract relevant data;
- Support the development, evaluation, and maintenance of indicator database and dashboard; and
- Other duties as determined jointly by the supervisor and the M&E Consultant.

Qualification requirements

- A university degree in economics, agricultural economics, statistics, or social sciences.
- Intermediate or advanced MS Excel skills.
- Good working knowledge of English, both written and spoken.

The following competencies will be helpful to accomplish the above tasks:

- Experience in the use of reference management programs (e.g., Zotero) and visualization tools (e.g., Tableau).
- Ability to organize and manage information efficiently.
- Ability to multi-task and to work independently within assigned areas.
- Demonstrated interest in issues related to agriculture, plant genetic resources, crop diversity, plant breeding, etc.

Terms and conditions: This consultancy foresees a 1-month output-based assignment. The total remuneration is fixed at EUR 2,500. Remote work possible.
Applications: Interested candidates should submit the following:

- your *Curriculum vitae* in English (please include your current residence address, telephone, and email address);

The above items should be sent to: trustvacancy@croptrust.org with the subject line “Consultant – M&E”

**The deadline for applications is 20 July 2023.**

Kindly note, that only individual consultants are eligible. Consulting companies, universities, organizations etc. are instead encouraged to respond to specific Calls for Proposals that are being published on this website as required.

*By submitting your application, you agree to the Crop Trust processing your personal data as described [here].*

*The Trust is an equal-opportunity employer and strives for staff diversity in gender and nationality.*
